**Gary J Jones CBE, RN, FRCN, FFNF FFEN**

Gary is a registered nurse with over 25yrs experience in emergency care. He is a Commander of the Order of the British Empire (for services to Emergency Nursing), Fellow of the Royal College of Nursing, the Florence Nightingale Foundation and the Faculty of Emergency Nursing. Gary holds a range of nursing qualifications including the City & Guilds 730 (Teaching & Assessing), has many years experience in Emergency Nursing both in clinical and managerial positions and has been one of the key developers of emergency nursing within the UK. He has advised at National level on many aspects of emergency care including paramedic training, expert nursing practice and emergency care in the community. From 1994 - 1997 Gary was the Honorary Consultant Nurse Advisor in A & E Nursing to the Chief Nursing Officer at the Department of Health. Gary owns and directs his own training & development company Health Care Training & Development Services Ltd.
